Hi Aaron -

I received your voicemail regarding the VB/I-70 CAG. I was a bit confused, in that it sounded as though EPA Ex. 5 Deliberative Process (DP) but performing some other form of community outreach. Additionally, in your voicemail, you mentioned a letter to the CAG from EPA regarding the details. Can you please clarify EPA's proposed path forward? Also, can we get a copy of the letter before it goes out?

Thanks,  
Tracie
